

Fozzy, Stay Hungry

Now you're feelin' the fire
Are you ready to explode?
Are your dreams and desires
riding down an open road?

Run like you're a runaway
A heart without a home
Others can laugh and play
Well fight for every inch you take
I'm Desperate to the bone

Stay hungry
Feel the fire
Stay hungry
You'll explode
Stay hungry
With desire
Stay hungry or alone

Be the hunter and the hunted
Keep your target in your sight
Don't be sidetracked or shuted
Let pretenders feel your fight

Let live you'll start to slide
Never show your way
Your fear you've got to hide
Remember what you're fighting for
Remember what you see

Stay hungry
Feel the fire
Stay hungry
You'll explode
Stay hungry
With desire
Stay hungry or alone

-Solo-

If your fire is faded
and you can't feel it no more
If you're tired and overrated
Let me show you to the door

Expect no sympathy
There's none to be had
Open your eyes and see
There's no room for wannabes
It happens over there

Stay hungry
Feel the fire
Stay hungry
You'll explode
Stay hungry
With desire
Stay hungry or alone

Stay hungry
Feel the fire
Stay hungry
You'll explode
Stay hungry

With desire
Stay hungry or alone
