

# Fragma, Reach Out

There's something special in your eyes  
You've got me hooked up completely  
I won't accept no compromise  
Until you say that you need me

Whatever the game is  
Wherever we stand  
Whatever the name is, of  
Whatever we plan  
I'll be right here by your side

I'm the one to light your day  
I'm the one to reach out to reach out for you  
I just want to let you know  
I'm the one to lead the way  
I'm the one to reach out to reach out for you  
Baby, I won't let you go

I feel your touch respond to mine  
You were meant to be near me  
Oh baby, can't you read my mind?  
I love you sincerely

Whenever you need me  
Whenever you fall  
I feel it so deeply, don't  
Say nothing at all  
Cause I'll be right here by your side

I'm the one to light your day  
I'm the one to reach out to reach out for you  
I just want to let you know  
I'm the one to lead the way  
I'm the one to reach out to reach out for you  
Baby, I won't let you go

Whenever you need me, because...

I'm the one to light your day  
I'm the one to reach out to reach out for you  
I just want to let you know  
I'm the one to lead the way  
I'm the one to reach out to reach out for you  
Baby, I won't let you go
