

# Frank Bakken, Blue Tonight

Blue tonight I feel so blue  
When you are not here with me  
I feel so blue

Tonight my love  
my heart is crying for you  
My dreams feel so real  
its almost like heaven tonight

Thru sunshine and rain  
Thru goodness and pain  
My love is forever  
It wont fade away

Blue tonight I feel so blue  
When you are not here with me  
I feel so blue

One day my love  
Well be together again  
Our dreams will come thru  
And well sing together

Solo

Blue tonight I feel so blue  
When you are not here with me  
I feel so blue
