

# Frank Bakken, Know It's True

They say he is not true  
They say he is not real  
They claim it's just a fairytale  
Just another childish dream

Know it's true  
Know it's real  
Know he died  
For you and me  
Know it's true  
Know it's real  
Know he rose  
For you and me

You don't want to see  
You don't want to hear  
You think that what you see  
Is the only reality?

Know it's true  
Know it's real

Know he died  
For you and me  
Know it's true  
Know it's real  
Know he rose  
For you and me

They say he is not true  
They say he is not real  
They claim it's just a fairytale  
Just another childish dream

Know it's true  
Know it's real  
Know he died  
For you and me  
Know it's true  
Know it's real  
Know he rose  
For you and me
