

Frank Black And The Catholics, Jesus Was Right

Maybe on the street
Maybe on the beach
Maybe I'll see you at the mall
Jesus was right
Yeah, I dont want to fight at all
I want to be alone
I want to be inside my headphones
I skate for transportation
Play guitar for elevation
Into a state of my own
I like distortion when I bar chord
A lonely parking lot when I ride on my board
Maybe on the beach
Maybe on the street
Maybe I'll see you in the hall
