

Frank Black And The Catholics, Stupid Me

Stupid me i deserve it
now i'm standing here all alone
supid me i'm reserving
all my thoughts just for her now she's gone
she gave me her whole heart
and i threw it away
i'd practice a black art
if i thought she'd come back for just one day
i don't know what became of
her but i'll pray
she'll find true love
oh, why did i send her away?
