

# Frank Black, Brackish Boy

This man he was a Mexican, oh yeah  
Adopted into Norwegian, oh yeah  
Turned into American, oh yeah  
But he felt a Mexican, oh yeah  
He was a walking fish, oh yeah  
Down Mexico way

he had to learn Spanish, oh yeah  
He was a walking fish, oh yeah  
He was feeling so brackish  
Between Norwegian and English

He decided it was time to go  
To find the people that he did not know  
But the road to Mexico, oh yeah  
They sure go fast but they should go slow, oh yeah  
It's a dangerous road, oh

By now you know that he was fucked  
By now you know he had no luck  
He was smashed head on by a giant truck  
Down Mexico way
