## Frank Black, Punk Rock City

Now Yin and Yang, they got together at the bank They had a young 'un and they grew him in a tank They got to get to work and they put him on a train And you know they got together and they're doing it again, oh baby

Punk Rock City Going up to Punk Rock City Going up to Punk Rock City

And when this shit got started it was never gonna stop Designer genes for all the punks to live on top Got to get to work, got to get them on the train If youre never gonna die then youre never gonna come back here again

Going up to Punk Rock City
Punk Rock City

We're brother sister and we are doing fine Spend our whole life working in the mine We get the train and we get ourselves to work Then we have a little party then we have a little party, baby

Punk Rock City, wooh
Going up to Punk Rock City
I'm going up to Punk Rock City
Going up to Punk Rock City

Never die in Punk Rock City Punk Rock City
