

Frank Black, Ten Percenter

I'm just another ten percenter
My mind is like an ocean
My mind is like an ocean
Im hanging in the harbor

Im just drifting letting out the line
Im letting out the drifting line
Im just trying to a guy
Whos hailing from Ann Arbor

Making jerk
And its good
Getting perk
Yeah, I would
I'm a jerk

If you got cotton mouth
You better have some water
Sucking syrup and soda
Youre going to just get hotter

But if you want to wile awhile
But if you want to wile awhile
Oh suck a syrup and soda
Oh dance oh sons and daughters

Making jerk
And it's good
Getting perk
Yeah, I would
I'm a jerk
And it's good
Getting perk
Yeah, I would
I'm a jerk

If you got cotton mouth
My mind is like an ocean
My mind is like an ocean
My mind is like an ocean

I'm a jerk
Making jerk
Soda jerk
And it's good
Jerk
Jerk
Jerk
Jerk
Jerk
