

Frank Black, The Last Stand Of Shazeb Andleeb

And on this smoggy day
He tried to make his way
But odds were six to one

He had no chance to fight
He ascended into light
Light brighter than the sun

Did you almost feel the pain?
It will never be the same again
The desecration of this glebe

He came from Pakistan
To the halls of Narbonne
This is the last stand of Shazeb Andleeb

He had no chance to fight
He ascended into light
Light brighter than the sun

Did you almost feel the pain?
It will never be the same again
The desecration of this glebe

He came from Pakistan
To the halls of Narbonne
This is the last stand of Shazeb Andleeb
