

Frank McComb, Love Natural

Love Natural
Words and Music by Frank McComb

Verse 1

As the fish swim the sea, like the wind blowing, all the words come naturally to me
that describes just how much I do love you lady.

Like the birds in the air fly without a care nothing else compares to you.

Like a king treats his queen, there's nothing I would not do for you.

Pre-hook

I'll travel the whole wide world twice in a day.

For you nothing's impossible, I'll go to let the whole world know
our love is purely natural.

Hook

Our love will last beyond the end of time.

Two have to grow a love as strong as yours and mine.

Love has to start as friends for it grow

and friendship's the main ingredient for love natural.

Verse 2

As time never stands still my heart never will stop beating for you my dear.

All the love you'll ever need is stored inside of me.

And as the grass and flowers grow to let the world know that God is still in full control
only death can separate out heavenly unity.
