Frank Sinatra, Don't Ever Go Away (Por Causa D

(R. Gilbert, D. Duran, A.C. Jobim)

[Recorded Febrary 11, 1969, Hollywod]

Ah take a look and you'll see the way I have become and the way things became Sadness and sorrow are here in the little things you touched with your hands This loving home was a home so happy to protect you and keep you with care The flowers in the window were smiling were glowing just knowing you were there Listen my love nevermore Don't ever go away Cause we are you are your life and your dream and we want you to stay Come in my love come to me don't let this heartless world bring another good bye Embrace me in a simple way Don't speak don't remember and darling don't cry
