

Frank Sinatra, Getting To Be A Habit With Me

Every kiss, every hug
Seems to act just like a drug
You're getting to be a habit with me.
Let me stay, In your arms
I'm addicted to your charms
You're getting to be a habit with me.

I used to think your love was something that I could take
Or leave alone
But now I just can't do without my supply, I need you
For my own

No I can't break away,
I must have you every day
As regularly as coffee or tea
You've got me in your clutches and I can't break free.

You're getting to be a habit with me. (2x)

No I can't break away,
I must have you every day
As regularly as coffee or tea
You've got me in your clutches and I can't break free.

You're getting to be a habit with me. (2x)
