Frank Sinatra, Getting To Be A Habit With Me

Every kiss, every hug Seems to act just like a drug You're getting to be a habit with me. Let me stay, In your arms I'm addicted to your charms You're getting to be a habit with me.

I used to think your love was something that I could take Or leave alone But now I just can't do without my supply, I need you For my own

No I can't break away, I must have you every day As regularly as coffee or tea You've got me in your clutches and I can't break free.

You're getting to be a habit with me. (2x)
