

# Frank Sinatra, I Can Read Between The Lines

Writer(s): Getzov/Frank

You don't laugh anymore, when we're alone  
You don't talk quite as long, when we're on the phone  
You say that you, still love me so  
But I can read between the lines  
You don't hear half the things, that I say to you  
You don't hold me as close, as you used to do  
You say that you, won't let me go  
But I can read between the lines  
Your love for me is over  
It isn't hard to tell  
In every single thing you do  
You say it all too well  
And the glow in your eyes, is there no more  
When you speak of the plans, that you have in store  
It's time my dear, that I let you know  
That I can read between the lines
