## Frank Sinatra, Love Lies

Love lies have a way of sounding true, when love lies comes from one as sweet as you, I know I'm not an angel, dear, but when you say that I am, hh how I love to hear you.

Tell me, are you thrilled each time we meet, and tell me, how I sweep you off your feet, Although I don't believe a word, they're the sweetest love lies that I have ever heard.
