Frank Sinatra, Only The Lonely

Each place I go only the lonely go Some little small caf The songs I know only the lonely know Each melody recalls a love that used to be The dreams I dream only the lonely dream Of lips as warm as May That hopeless scheme only the lonely scheme That soon somewhere you'll find the one that used to care And you recall each fun time Those picnics at the beach when love was new It well could be the one time A hopeless little dream like that comes true If you find love hang on to each caress And never let love go For when it's gone you'll know the loneliness The heartbreak only the lonely know
