

# Frank Sinatra, Put Your Dreams Away ( For Another Day)

Put your dreams away for another day  
And I will take their place in your heart  
Wishing on a star never got you far  
And so it's time to make a new start

When your dreams at night  
Fade before you  
Then I'll have the right  
To adore you

Let your kiss confess this is happiness, darling  
And put all your dreams away

(Musical Interlude)

When your dreams at night  
Fade before you  
Then I'll have the right  
To adore you

Let your kiss confess this is happiness, darling  
And put all your dreams away
