

# Frank Sinatra, Watch What Happened

Let's someone, start believing in you  
Let him hold out his hands  
Let him touch you and watch what happens

When someone who can look in your eyes  
And he's seeing into your heart  
Let him find you and watch what happens

Couse, no I won't believe your heart is cold  
Maybe is just afraid, to be broken again

Let Someone with a deep love to give  
Give that deep love to you and what magic you'll see

Let someone, one with a deep love to give  
Give that deep love to you and what magic you'll see  
Let someone give his heart  
Someone who cares like me  
Someone who cares like me

You'r gonna love what happen
