Frank Sinatra, Where Or When

When you're awake the things you think Come from the dream you dream Thought has wings, and lots of things Are seldom what they seem Sometimes you think you've lived before All that you live today Things you do come back to you As though they knew the way Oh the tricks your mind can play It seems we stood and talked like this, before We looked at each other in the same way then But I can't remember where or when The clothes you are wearing are the clothes you wore The smile you are smiling you were smiling then But I can't remember where or when Some things that happened for the first time Seem to be happening again And so it seems that we have met before And laughed before, and loved before But who knows where or when.
