## Frank Sinatra, Why Should I Cry Over You?

I don't why I should Cry over you Sigh' Over you. Even be blue

I should have known that you'd leave me alone And break my heart in two Although you have left me alone to pine And all my love was a [big fat] waste of time Someday your heart will be broken like mine So why should I cry over you (x2)

You broke my heart, you took it apart So pack up your bags and beat it Why should I cry over yooouuuuuu?
