Frank Sinatra, Why Try To Change Me Now

I'm sentimental So I walk in the rain I've got some habits That I can't explain Could start for the corner Turn up in Spain Why try to change me now I sit and daydream I've got daydreams galore Cigarette ashes There they go on the floor I go away weekends And leave my keys in the door But why try to change me now Why can't I be more conventional People talk People stare So I try But that's not for me Cuz I can't see My kind of crazy world Go passing me by So let people wonder Let 'em laugh Let 'em frown You know I'll love you Till the moon's upside down Don't you remember I was always your clown Why try to change me now Don't you remember I was always your clown Why try to change me Why try to change me now
