

# Frank Zappa, Montana

I might be movin' to Montana soon  
Just to raise me up a crop of  
Dental Floss

Raisin' it up  
Waxen it down  
In a little white box  
That I can sell uptown

By myself I wouldn't  
Have no boss,  
But I'd be raisin' my lonely  
Dental Floss

Raisin' my lonely  
Dental Floss

Well I just might grow me some bees  
But I'd leave the sweet stuff  
To somebody else . . . but then, on the other hand I would

Keep the wax  
N' melt it down  
Pluck some Floss  
N' swish it aroun'

I'd have me a crop  
An' it'd be on top (that's why I'm movin' to Montana)

Movin' to Montana soon  
Gonna be a Dental Floss tycoon (yes I am)  
Movin' to Montana soon  
Gonna be a mennil-toss flykune

I'm pluckin' the ol'  
Dennil Floss  
That's growin' on the prairie  
Pluckin' the floss!  
I plucked all day an' all nite an' all  
Afternoon . . .

I'm ridin' a small tiny hoss  
(His name is MIGHTY LITTLE)  
He's a good hoss  
Even though  
He's a bit dinky to strap a big saddle or  
Blanket on anyway  
He's a bit dinky to strap a big saddle or  
Blanket on anyway  
Any way

I'm pluckin' the ol'  
Dennil Floss  
Even if you think it is a little silly, folks  
I don't care if you think it's silly, folks  
I don't care if you think it's silly, folks

I'm gonna find me a horse  
Just about this big,  
An' ride him all along the border line

With a  
Pair of heavy-duty  
Zircon-encrusted tweezers in my hand

Every other wrangler would say  
I was mighty grand

By myself I wouldn't  
Have no boss,  
But I'd be raisin' my lonely  
Dental Floss

Raisin' my lonely  
Dental Floss  
Raisin' my lonely  
Dental Floss

Well I might  
Ride along the border  
With my tweezers gleamin'  
In the moon-lighty night

And then I'd  
Get a cuppa cawfee  
N' give my foot a push . . .  
Just me 'n the pygmy pony  
Over the Dennil Floss Bush

N' then I might just  
Jump back on  
An' ride  
Like a cowboy  
Into the dawn to Montana
