

# Frankie And The Knockouts, Sweetheart

I know baby it's hard to be strong  
Just take the good with the bad  
And don't think you're alone

Cause I know all your sad goodbyes  
Cause I've been there before  
To help you dry your eyes

Sweetheart  
Who love you from the start  
Who treats you like a star  
Oh sweetheart

Who loves you baby  
Who loves you wrong or right  
Cause you're the spark in my life  
Yeah day and night

And when trouble a-keeps on knockin'  
Down your door  
Just call on me babe  
And it won't be wrong no more

Sweetheart oh I know, yes I know  
No matter how long  
I'll be by your side yeah,  
Singing this song
