

# Frankie J, Wanna Know

Girl I've been waiting  
For so long for you...  
Girl I think I'm ready to get  
To the bottom of the truth...  
I'd seen you peepin at me way before  
Way before me and my lady  
Had to call it off... oh...  
I didn't wanna say a word  
To you no no...  
Wanted to make sure that everything  
Was cool and not in the low... oh...  
Cuz I'm not the type of guy  
To cheat on my girl...no I ain't  
But shit was 'bout to hit the fan  
Should of known that long ago so...

Take my hand  
Let's get to know each other better  
Let's begin  
Somethin good, so somethin good  
That we could treasure

I wanna know... I wanna know  
If you really wanna be with me  
I wanna know  
If you really go it bad for me  
I wanna know if you're willing to give  
Everything... oh...  
I wanna know if you're down for  
Anything... yeah...

Cuz I'm the type of man  
That's down for his girl  
Drama free guaranteed  
And I give you my word...  
I'll give you all I have  
Everything you want and more  
Every little bit  
That I can take from my soul yeah

I'm just a simple man  
That wants to be heard yeah...  
Take it from my broken heart  
And a lesson that's learned  
So I just need to know  
How serious you are... yeah...  
Tell me if you really want this to go far...

I really wanna know babe  
If you're down wit me  
I'm willing to give you everything  
And all you need... with you by my side  
We can conquer the world... you know  
If you need me...just let me know...

I just wanna know  
I wanna know  
Oh...whoah  
I wanna know  
Tell me baby cuz I need to know  
If you're really down...  
Oh... gotta be down wit me  
Baby...whoa...baby  
Oh...oh...oh...oh...yeah

I really wanna know  
I wanna know  
I wanna know... yeah...whoah
