

# Frankie J, Want To Try

(oooo)...don't wanna try don't wanna try (try try)  
(oooo)..don't wanna try no more  
(ooo)..don't wanna try don't wanna try don't wanna try

(Verse 1)

i can't believe  
you had the nerve to say the things you said  
they hurt so bad that they ended our relationship  
i can't believe it  
4 years go down the drain  
oh how i wish things would of happened so differently  
i try'd to save it so many times but you still couldn't see  
you kept insistin' and resistin'  
that you would not fall again  
and now your tryin' to tell me that ur sorry  
and your tryin' to come back home  
your tellin' me you really need me crying beggin both knees are on the floor  
but baby i

(Chorus)

don't wanna try don't wanna try don't wanna try no more  
you keep insisting when you know our love is out the door  
don't wanna try don't wanna try cuz all we do is fight and say the things  
i hurt you bad to when we both begin to cry  
don't wanna try don't wanna try i 'bout just had enough  
its been a rough road  
baby just let it go  
don't wanna try don't wanna try don't wanna try no more  
tell me whats the use of holdin' on when all we do is hurt our love

(Verse 2)

you and i had many conversations on the telephone  
talks about one day we having a place of our own  
wake up in the morning and have breakfast ready on the table  
but all of that just seems so far away from me  
had to wake up face reality  
it all just seem to good to be true  
after all you put me through  
and now you tryin' to tell me that ur sorry  
and your tryin' to come back home  
you tellin' me that you really need me crying beggin both knees are on the floor  
but baby i

(Chorus)

don't wanna try dont wanna try dont wanna try no more  
you keep insisting when you know our love is out the door  
don't wanna try dont wanna try cuz all we do is fight and say the things  
i hurt you bad to when we both begin to cry  
dont wanna try don't wanna try i bout just had enough its been a rough road  
baby just let it go  
don't wanna try don't wanna try don't wanna try no more  
tell me whats the use of holdin' on when all we do is hurt our love
