Jealousy, night and day you torture me

I sometimes wonder

If this spell that I'm under

Can only be a melody

For I know no one but me has won your heart, but

When the music starts, my peace departs

From the moment they play that lovely strain

And we surrender to all its charm again

This jealousy that tortures me is ecstasy, mystery, pain

We dance to a tango of love

Your heart beats with mine as we sway

Your eyes give the answer I'm dreaming of

That soft word your cruel lips will never say

I fear that the music will end

And shatter the spell it may lend

To make me believe when your eyes just deceive

But it's only the tango you love

I fear that the music will end

And shatter the spell it may lend

To make me believe when your eyes just deceive

And it's only the tango you love

It's only the tango that you love!!
