

# Frankie Rose, Sleeping Night and Day

Hey now, I don't mind  
There's a way out, fall behind  
Now I know there's a way out  
Hey now, got to find a way  
There's a way out, sleeping night and day  
Now I know there's a way out

'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go

Hey now, I don't mind  
There's a way out, fall behind  
Now I know there's a way out  
Hey now, got to find a way  
There's a way out, sleeping night and day  
Now I know there's a way out

'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go

'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go  
'Round and 'round, away we go
