

# Fransisca London, New Girl in Town

hey look out for that moving van driving down our street  
you better lock up your man before he meats....

chours

the new girl in town who just came on the scene the new girl in town.(make up a verse)the new girl  
or she's gonna loose him to the new girl in town

shes hip so cool i'm gonna get 'er after school but yet we liked to be like hercause shes the net tha  
the new girl in town has my guy on her srean and look shes wearin his ring i guess im cryin before
