

Franz Ferdinand, Live Alone

I wanna live alone
Because the greatest love is always ruined by the bickering
The argument of living

I wanna live alone
I can be happy on my own
For the rest of my life
With the vaguest of feeling

I...

Wherever you are
Whoever is there
You know that I'll be here, I'll be here
Wishing I could be there

Wherever you are
Whoever is there
You know that I'll be here, I'll be here
Wishing I could be there

And so, I'm gonna live alone
I'm not sayin' that all of it's the greatest
But I'm in love with you
Wanna stay in love you

So I'm gonna live alone
Yeah, I'll be happy on my own
With the rest of my life
With the vaguest of feeling

I...

Wherever you are
Whoever is there
You know that I'll be here, I'll be here
Wishing I could be there

New York City where they get in taxis
Sadistic driver, sadistic man
Well, I can imagine having a drink with that guy

He's alright
Oh, he's alright
He's alright
Yeah, he's alright
He's alright

Wherever you are
Whoever is there
You know that I'll be here, I'll be here
Wishing I could be there
