

# Franz Ferdinand, No You Girls

Oh, kiss me  
Flick your cigarette, then kiss me  
Kiss me where your eye won't meet me  
Meet me where your mind won't kiss me  
Flick your eyes and mind and then hit me  
Hit me with your eyes so sweetly  
Oh, you know, you know, you know you that  
Yes I love, I mean I'd  
Love to get to know you

Do you never wonder?  
No, no, no, no you girls never know  
Oh no, you girls'll never know  
No you girls never know  
How you make a boy feel

You girls never know  
Oh no, you girls'll never know  
No you girls never know  
How you make a boy feel  
How you make a boy

Oh, kiss me  
Flick your cigarette, and then kiss me  
Kiss me where your eye won't meet me  
Meet me where your eye won't flick me, uh  
Flick your mind and mine so briefly  
Oh ya know, ya know ,ya so sweetly  
Oh, you know, you know I know that  
I love you I mean I  
I mean I need to love

Do you never wonder?  
No, no, no, no you girls never know  
Oh no, you girls'll never know  
No you girls never know  
How you make a boy feel

You girls never know  
Oh no, you girls'll never know  
No you girls never know  
How you make a boy feel  
How you make a boy feel  
How you make a boy

Sometimes I say stupid things  
But I think, well I mean I  
Sometimes I think the stupidest things  
Because I never wonder  
How the girl feels  
Oh, how the girl feels

No you boys never care  
Oh no, you boys'll never care  
No you boys never care  
How the girl feels

You boys never care  
You dirty boys'll never care  
No you boys never care  
How the girl feels  
Oh, how the girl feels  
Oh, how the girl feels  
Oh, how the girl feels
