

# Franz Ferdinand, Well That Was Easy

Well that was easy, waiting  
Everything's easy now  
And the days are oh so normal

But oh baby how I miss you  
Oh, baby how I miss you  
Oh, baby how I miss you now  
Now... n-n-n-now....

I used to lock myself in your bathroom  
Swallowing the Codeine kept for your back  
Numb, so numb  
I'd let your words come and come

Ooooooh  
So come  
Come on, come  
Come on kill me now  
Kill me now  
Kill me now  
'Cause I'm leaving you now

That was easy, but how I miss you  
That was easy, but I still miss you  
That was easy, but how I miss you now  
Now... n-n-n-now

I watched you clean the filth off your phone dial  
Swallowing things your finger picked up  
Tongue, your tongue  
I'd watch your tongue licking on

Ooooooh  
So come  
Come on tongue  
Come on kill me now  
Kill me now  
Kill me now  
'Cause I'm leaving you now
