

Fred Hammond, A Song Of Strength

Hold on and wait just a little while
Hold on and wait just a little while
He'll bring a song of strength
Hold on and wait just a little while, little while

(Verse 1)

What do you do
When the life you've planned is shattered
What do you say
When the one you love is gone
How do you live
Seems like no hope for tomorrow
Pain doesn't care where you live or who you are

(Chorus)

Lord You see my life is broken
And I don't know what to do
While I'm in this change, help me remain
I can count on You, oh, oh
When I can't see, I know You'll guide
When I cry out, I know You feel
Now I'm praying, I know You hear
Praying for healing, I know You will

(Verse 2)

Who do you call
When no one has the answer
Where do you go
When the place you've know is no more
When will they stop
All the tears they just keep falling
Pain doesn't care where you live or who you are

(Repeat Chorus)

(Channel)

We ask you to forgive
And we will do the same
We receive Your love
Lord we'll take time to heal

(Vamp)

Hold on and wait just a little while
He'll bring a song of strength in the midnight
Touch our lives with Your loving Hand
Hold on, we'll hold on

(Repeat)

Hold on and wait just a little while
(Repeat)
