

# Fred Hammond, Breathe Into Me

Breathe Into Me  
By Fred Hammond

When the battle makes me weary  
It seems that I lost ground  
It's so hard to hear your voice Lord  
With distractions all around  
I try to lift my hands to give you praise  
But then a spirit of heaviness  
Tries to shield your face

Chorus:  
Breathe into me, oh Lord  
The breath of Life  
So that my spirit would be whole  
And my soul may rise  
Breathe into me, oh Lord  
Day by day  
So that my heart is pure before you  
Always, always

Onto thee, oh Lord, do I lift up my soul  
It's only by your hand  
That I can be made whole  
So Lord, breathe on me  
And revive my spirit within  
And I'll never be the same

- Chorus -

Condemnation tries to hold me like a prisoner in chains  
And the weight of my burdens, is calling out my name  
That's when I lift up my voice to worship you because I know  
You promised you would wash me white as snow

Onto thee, oh Lord, do I lift up my soul  
It's only by your hand  
That I can be made whole  
So Lord, let your breath revive me again  
And I'll never be the same x3

- Chorus -
