

# Fred Hammond, I wanna know your ways

I wanna know your ways  
By: Fred Hammond

(Verse 1)

Here I stand before you  
Your glory is here  
And it fills this place  
And I am willing to  
Do what I must just to know your ways

(Channel)

Everything Ive attained  
And all I know, Id give it away  
Just to know you, Lord  
Would fulfill my whole life  
So Im glad to say

(Chorus)

I wanna know Your ways  
So I can please You each and every day  
If Ive found favor in Your sight  
Teach me Your ways, Your ways

(Verse 2)

I boast, not in myself  
Or the things Ive learned  
Lord You know its true  
But I seek after one thing  
To know Your ways  
Then I will know You

(Channel 2x)

(Chorus)

(Rap)

I wanna know Ya better  
Better than I did the day, You know, when I met Ya  
I never wanna let Ya, catch me sleeping on the job  
I dont care who thinks its odd because they aint my God  
But to know Ya (know Ya)  
Is more than to love Ya (love Ya)  
Because Youre real Ya I can feel Ya  
Everything Ive learned and all my skills  
I count them dung  
Yes I will

(Channel)

(Chorus)

(Vamp)

In Your power  
Resurrection  
As You sufferd  
In Your power
