

Fred Hammond, Keeping My Mind

Such a sweet communion
As everyday I seek Your face
Knowing that Your best for me is wherever You are
You can speak life in me
And take me up on eagle's wings
And all day long I think on these things
Lord they that keep their minds stayed on You
Will be kept in perfect peace
Ad I know You are able to
Cause my fears to cease

(Chorus)

Won't let a day go by
Without keeping my mind
Keeping it stayed on Jesus
Stayed on Jesus
With every new sunrise
I gotta keep my mind
Meditate on Him
And keep His Spirit deep within

When the darkness covers me
When the light grows strangely dim
It's Your power that anchors me
For I keep Your words deep within
So what the day holds for me won't make me run and hide
As long as You are my guide
For they that keep their minds stayed on You
Will be kept in perfect peace
I know You are able to
Cause my fears to cease

(Repeat Chorus)

(Bridge)

Oh what joy You've given me
As I learn to trust in You
You have been proven to be all that I need
All that I need, So I say

(Vamp)

Stay, Stay, Keeping my mind on Jesus
Stay, stay
Meditate on Him and keep His Spirit deep within

(Repeat)
