

Fred Hammond, Let The Praise Begin

Verse 1

Here we are
Let's get on one accord
Leave all your problems on the outside
To be consumed with the Holy Ghost fire
Open up your mouth and lift the name of Jesus higher, say

Chorus A

Are you ready for your blessing? (are ya ready)
Are you ready for your miracle?

For the chains that come from the enemy
Are utterly destroyed when the praises ring, hey hey

Chorus B

Hallelujah, thank you Jesus(he's exalted forever so...)
Let the praise begin
Lord I love you
No one above you (just put yo hands together and let...)
Let the praise begin
Yeah, Yeah, Yeah
Yeah, Yeah, Yeah

Verse 2

I know it might be tough to get yo praise on
Trials of life been catching you all week long
If you don't have a reason to praise him let me give you one
He gave you a brand new mercy
With the rising of the sun, say

(Chorus A) 2 times

(Chorus B) 2 times

Chorus A

Are you ready for your blessing?
Are you ready for your miracle?

For the chains that bind up the enemy
Are at your disposal when the praises ring

(Chorus A) (again)

Vamp.....2 times

Raise up
Send the praise up
Raise up
Send the praise up
Raise up
Send the praise up
He's here right now
C'mon

It's in your praise (8x)

He's here (6x)

He's here right now
