

Fred Hammond, Philippians 4:7

(Verse One)

Why downcast oh, my soul
Having a heavy heart in hand
Knowing full his promise still remains
That He would safely guide
If on his shoulders I would lean
And his perfect will I would remain

(Verse Two)

The battle rages on
And weakens my confidence
Confusion urges me to curse the day
But when I patient wait
Under the shadow of His wing
Then I softly hear the Spirit say

(Chorus)

The peace that passes on
All your understanding
Shall guard your heart and mind
Through Christ Jesus
(Repeat)
