

# Fred Hammond, Praise Belongs To You

[Intro]

{Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa}  
Can I moan a little bit, hey  
{Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa}  
Hey, All the brothers, all my sista's, oh, oh, oh, oh

[Verse 1]

Worthy, worthy  
You know what I mean  
Is the Lamb of God who gave His life to make us clean  
What an awesome price was paid  
So I lift up my voice to say I love You  
Thank you, thank you  
Hear what I'm sayin'  
To the Lord of my life, forevermore  
That's how it's layin'  
All the nations, all the people  
If you love Him let me hear you say we lift...

[Chorus]

We lift Your name on high  
The Savior of our lives  
The Way, the Truth, the Light  
My, oh, my, oh, my  
Praise belongs to You

[Verse 2]

Glory, glory  
I said it before  
I'm sayin' it now  
And I'll be sayin' it forevermore  
All power belongs to You  
So with all of my heart I give You honor  
Holy, Holy  
Lord God almighty  
Who sits on the throne of my heart  
All day and nighty  
All the brothers  
All the sisters  
If you love Him let me hear you say we lift...

[Chorus]

We lift Your name on high  
The Savior of our lives  
The Way, the Truth, the Light  
My, oh, my, oh, my  
Praise belongs to You

[Repeat Chorus 1X]

[Vamp A]

You're worthy, so worthy  
You are Lord and Lord alone  
You're worthy, so worthy  
The Holy King upon the throne  
You're worthy, so worthy  
To be praised forevermore  
My, oh, my, oh, my

[Vamp B]

Dominion and glory  
Lion and the Lamb so Holy  
You are the all knowing  
All power belongs to You

So worthy, You're so worthy  
My, oh, my, oh, my  
Praise belongs to You

[Repeat Vamp B 1X]

[Repeat Vamps A & B simultaneously-out]
