

# Fred Hammond, Success Is In Your Hand

Success is in your hand, follow My plan  
I've called you for this hour, and placed in you My power  
It's in your hand, follow My plan  
I'll do exceedingly, above all you ask of Me  
It's in your hand, follow My plan  
Don't waiver to the left, don't waiver to the right  
It's in your hand, follow My plan  
I've called by you by My name  
And you'll never be the same  
It's in your hand, follow my plan
