

Fred Hammond, Your Name Is Jesus

Your Name is Jesus
Fred Hammond- Somethin About Love
2004

A precious name
I love to call
It stands alone
And above all
The name of Jesus, Jesus, Jesus
At the mention of your name
Every Circumstance must change
I can always count on you
To bring healing to my pain

Your very life
For me you gave
To wash my sins
And my life saved
Your name is Jesus, Jesus, Jesus
What a sacrifice of love
You are faithful, you are true
So your cross belongs to me
And my heart belongs to You

I'll tell the world
That you still live
You want to love, heal and forgive

Your name is Jesus, Jesus, Jesus
For the wounds you have received
Made a way for all to come
No matter what your past has been
He won't remember what you've done

What a sacrifice of love
You are faithful you are true
So your cross belongs to me
And my heart belongs to you

(Cause there is)
There is no other name, there is no other love
No one else can compare to you
No one.
Oh'. how I love him, Oh' how I need him.
Can't live with out him
