

# Fred Hammond, Your Steps Are Ordered

When you've been called  
To have a relationship with God  
When you've been called to do something great for him  
Sometimes  
Young people hear me  
It's not gone be easy  
It's gone be down right hard sometimes  
Down right difficult  
But the word of the lord  
just simply declares one thing

Chorus  
Every step of a righteous man  
Is ordered by God  
Ordered  
Though you may not know his mind  
He will reveal it all in time  
Just know till then  
Your steps are ordered by God

Verse 1  
When it seems like my mountains to high  
And im tired of the climb  
When it feels like my patience is frustrated with time  
I depend on the spirit  
To gently remind

(Chorus)

Verse 2  
When my faith is challenged  
And my vision is obscured  
When I'm hanging on by a thread  
And my footings unsure  
I look to the spirit  
For one word to help me endure  
And that word is ordered

Vamp  
Ordered, Ordered, Ordered  
Before the world was framed  
Ordered, Ordered, Ordered  
Before the whole world was framed  
Ordered, Ordered, Ordered  
Before the whole world was framed

Through the fire  
Through the flood  
When life takes you through winding turns  
Ordered, Ordered, Ordered  
(repeat 2x's)
