

Freddie Hart, Born A Fool

(Born a fool born a fool born a fool)
Born a fool I guess I'll die a fool
For loving you so deeply even though I know I can't have you
Born too late I guess I'll die too late
Too late to be your first love and you're not the kind to be untrue

It's not like (it's not like) day and night (day and night)
All I do (all I do) is dream of dreams that can't come true
Born a fool I guess I'll die a fool
For loving you completely even though I know I can't have you

(It's not like) no it's not like (day and night) day and night
(All I do) all I do is dream of dreams that can't come true
Born a fool I guess I'll die a fool
For loving you completely even though I know I can't have you
Born a fool I guess I'll die a fool
