

Freddie Hart, Greatest Gift Of All

(Love love is the greatest gift of all)

I love everything God created from the largest things down to the small
But when he gave me you right away I knew love is the greatest gift of all

Thought I had all that life offer but what I had then now seem so small

For that feeling that comes from loving love is the greatest gift of all

[strings]

Love is the greatest gift of all

There is no way to explain it but you know it when you fall

Because you given a piece of heaven love is the greatest gift of all

Love is the greatest gift of all
