

Freddie Hart, Heavenly Hurt

Heavenly hurt that's what I feel each time you touch me
Heavenly hurt it's worth it all to be with you

It's heaven just to have your tender body
Soft and warm and cuddle close to mine
The hurt it comes just knowing I can't keep you
Love you too much to live one day at the time

Heavenly hurt I feel it every time I'm with you
Heavenly hurt the price I pay for loving you
