

# Freddie Hart, I Sing For Joy

I sing for joy and it's because she gives the finest kind of love  
I sing for joy cause that's the way she makes me feel

My heart jumped with joy when I first saw her  
She captured all of me with just one smile  
Love took control of me that very moment  
Joy came into my world and that is why  
I sing for joy...

And now it seems the world is so much brighter  
More than I had ever hoped could ever be  
She's everything I need or ever wanted  
She'll never know the joy she's givin' me  
I sing for joy...  
I sing for joy cause that's the way she makes me feel
