

# Freddie Hart, If You Can't Feel It (It Ain't There)

We promised to be honest with each other  
But no matter what give all we got to give  
To taste all the pleasures life can offer  
Not waste one precious moment that we live  
And I believe we got it all together  
The future wrapped with tender loving care  
Feeling is believing and I feel it  
And if you can't feel it it ain't there

I don't think we'll ever have to worry  
Or doubt about our love being true  
Each day you try to prove how much you love me  
Each day I find you wait for loving you  
I only hope forever is a long time  
Because we got so much love to share  
Feeling is believing...  
Feeling is believing...  
No if you can't feel it it ain't there
