

Freddie Hart, Jesus Is My Kind Of People

Jesus is my kind of people Jesus is my kind of people
My hearts my church my faith and my steeple Jesus is my my kind of people

He walks with me down the pathways rides with me up and down the highways
Flies with me through the skyways Jesus is my kind
Everybody sings Jesus is my kind of people...

Now he's no stranger he's a friend to me gave his life just to set me free
He knows I know that he loves me Jesus is my kind
Everybody sings Jesus is my kind of people...
Jesus is my kind of people...
Jesus is my kind of people...
Jesus is my kind of people...
