

Freddie Hart, My Woman's Man

Her sweet good morning kiss tastes so good
And her loving starts my day off just the way it should
Just knowing I can reach out and hold my whole world in my hands
Makes me glad that I'm my woman's man

And when my day is over ours will start
When I lay my head upon her breast and feel her beating heart
No matter then what I've been through I know she'll understand
Lord I'm so glad that I'm my woman's man

She's the best I've ever had and she just keeps on gettin' better
Makes me wonder how I ever lived before I met her
And every time I reach out and hold my whole world in my hands
I'm so glad I'm my woman's man
Oh Lord I'm glad so glad that I'm my woman's man
