

Freddie Hart, Only You (And You Alone)

Only you can make this world seem right
Only you can make the darkness light
Only you and you alone could thrill me like you do
And fill my heart with love for only you

Only you can make a change in me for it's true you are my destiny
Oh when you hold my hand I understand the magic that you do
You are my dream come true my one my only you
Only you can make a change in me...
